

**Peter Carey, CFA**

Portfolio Manager

State Street Global Advisors

Peter is a portfolio manager in State Street Global Advisors' Investment Solutions Group. As part of his role, Peter is responsible for managing multi-asset class portfolios including Tactical Asset Allocation portfolios as well as a range of Absolute Return Funds and equity risk reduction strategies. Peter returned to SSGA in 2017 after working previously as a Portfolio Manager in the Global Equity Beta Solutions (GEBS) team.

Before joining SSGA, Peter was the Head of Equities at Gulf International Bank responsible for managing \$10bn worth of global equity portfolios. He also worked at STC where he was responsible for managing their equity and active fixed income allocations.

Peter holds a Master of Applied Finance and Investment from FINSIA and a Bachelor of Applied Finance from Macquarie University. Peter also holds the IMC, IFQ and the Chartered Financial Analyst designation.
