

Yvette Murphy

Senior Portfolio Strategist, Global Equity Beta Solutions

State Street Global Advisors

Yvette is a Vice President of State Street Global Advisors (SSGA) and a Senior Portfolio Strategist supporting the Global Equity Beta Solutions Group, based in Sydney, Australia. Yvette works closely with institutional and intermediary clients in the Asia Pacific region to design investment solutions across traditional market cap, smart beta and ESG/climate equity indexing disciplines.

Prior to this role, Yvette spent five years in New York City working for SSGA and FTSE Russell. She worked closely with asset owners, ETF providers and wealth managers to design innovative index products with a specialisation in Smart Beta and ESG/Climate investment solutions. Prior to relocating to the US, Yvette worked for SSGA in Sydney, where she held numerous roles within the Portfolio Strategy, Consultant Relations and Sales teams across SPDR ETFs, Active Quantitative Equity and Multi-Asset strategies. Yvette began her career in Private Wealth at Goldman Sachs and has been working in the investment industry since 2008.

Yvette holds a Bachelor of Commerce and a Bachelor of Economics from the University of Queensland, Australia.
