

## **Raf Choudhury**

### **Head of Investment Strategy & research, Australia**

#### **State Street Global Advisors**

Raf is Head of Investment Strategy & Research for Australia. Raf heads up Investment Strategy & Research within Australia. In this role Raf engages with clients to identify complex investment issues, conduct needs-based analysis, and design targeted solutions supported by proprietary research and market viewpoints.

Prior to joining the Investment Strategy & Research team, Raf was a Senior Portfolio Manager within the Investment Solutions Group. Initially based out of London, Raf re-located to Sydney at the end of 2013. As a Portfolio Manager, Raf was responsible for managing Tactical Asset Allocation portfolios as well as a range of Absolute Return Funds and equity risk reduction strategies. Prior to joining State Street Global Advisors, Raf worked at both ABN Amro and JP Morgan Chase.
