

Simon Mullumby

Head of Australian Cash & Bonds

State Street Global Advisors

Simon is a Vice President of State Street Global Advisors and Head of Australian Cash and Bonds. He is responsible for the management of cash funds, enhanced yield funds, stock lending collateral and domestic bond strategies.

Prior to commencing his current role in September 2000, Simon was an Investment Support Analyst in SSGA's operations group. Simon began working at State Street in the custody department at SSAL in 1996.

Simon has received a Bachelor of Business degree, majoring in Economics and Finance, from the Royal Melbourne Institute of Technology and has earned the Chartered Financial Analyst designation.
